CENTENARY COLLEGE

# ON THE COVER

Centenary College has a storied history of producing good basketball teams. From that first team back in 1921-22 that won the Louisiana State Championship to the Robert Parish lead teams of the 1970's, to the Gents of today and for all those who donned the Maroon and White there has been something magical about playing basketball at Centenary.

This year's cover features action photos of some of the 1996-97 Centenary Gents as well as head coach Tommy Vardeman.

The pictures lie in a white background which symbolizes the return of white jerseys to the Gold Dome. The Gents have used a silver uniform for the past few years at home but will go back to the traditional white this season.

# OUR NICKNAME

The unique nickname "Gentlemen" was first established in the fall of 1922. With the majority of Centenary men also soldiers, the moniker "Gentlemen" was a proud, respected name and a logical choice. A tongue-in-cheek account that first mentioned the new nickname appeared in the 1923 Yoncopin (Centenary's yearbook) in that season's football summary.

***"...The boys were beginning to round into pretty good form by this time and as several recruits had been recently added we were beginning to resemble a real college football team."***

***"Yet there was some doubt on the eve of the first game. Reports from the Marshall camp had them recruiting from the boiler factories and we were made to believe that the Marshall team was coming to Shreveport to mop-up with the 'Gentlemen' (you see we had just taken the name of the 'Centenary Gentlemen' and far be it from us to start a dispute just at that time).***

***"Well, we put on our best manners but just couldn't help running up a 77-0 score..."***

The nickname has stuck ever since and it was a natural to call the women's teams the "Ladies" when the school began women's sports in the 1960's.

# A MESSAGE TO THE MEDIA

**WELCOME:**

We hope that the 1996-97 media guide will supply you with the basic information needed to cover the Gentlemen this season, but if additional information is desired please feel free to contact the Sports Information Office (located on the lower level of the Gold Dome) at 318- 869-5092, 318-869-5145 (fax), or write to: P.O. Box 41188-Gold Dome, Shreveport, LA 71134-1188.

**Media credentials and photography passes** are for admittance to the Gold Dome, the media room, and the courtside press tables. These passes are limited to working press only.

For those covering the Gents on a regular basis, it is necessary to request a season pass on company letterhead. For those needing passes for specific games and not the entire season, requests must be made no sooner than one week in advance of that game and no later than one day prior to the game. Credentials will **NOT** be granted on game day. A reminder, media seating on press row is limited so make sure you request a pass on a timely basis.

Requests for season passes and game passes should be directed to Sports Information Director, Charlie Cavell.

Season passes will **NOT** be mailed, but will be made available in the Sports Information Office and can be picked up beginning November 12, 1996. Credentials that are not picked up will be available prior to tip-off at the Will Call window, located at the North entrance to the Gold Dome.

Please keep your press credential securely fastened and visible at all times to allow for identification by security and game management personnel.

**GAME DAY:**

**The press room** is located on the lower level of the Gold Dome, adjacent to the Sports Information Office, and serves three purposes. It is a **WORKING** press area, an interview room and a hospitality area. **PLEASE** be respectful to those members of the media who are trying to work. For those writers wishing to send stories from the Gold Dome there are several phone lines available on a first-come, first-serve basis.

Those wishing to **broadcast** from the Gold Dome should make requests through the SID office. One courtesy line will be made available at no charge to the official station of the visiting team. Visiting radio line number is 318-869-5400; trouble line number is 318-869-5298.

**Game Information** is provided by the Centenary Sports Information Office and includes a game program, fact sheets, media guides and statistics for each team. Halftime statistics and play-by-play sheets are delivered to the working press area. Flash stats are brought immediately to broadcast outlets following timeouts. Complete game booklets are assembled and made available in the working press room.

**The Gents locker room** is closed to the media. **ALL** interviews will take place in the press room, no exceptions will be made. Player interviews must be arranged through Centenary SID Charlie Cavell; visiting player interviews must be arranged with the visiting SID.

NCAA media guidelines require a 10 minute "cooling off" period after each game. A member of the Centenary SID staff will coordinate interview sessions. Due to travel, the visiting team members will be brought to the interview room first, then Centenary players will follow. Coach Tommy Vardeman will be available for interview following his post-game radio show. Media are **PROHIBITED** into the locker room to interview players or Coach Vardeman.

**DURING THE SEASON:**

**Player interviews** must be arranged with Centenary Sports Information Director Charlie Cavell. In order to serve the media better, interview requests should be made at least one day in advance.

**All practices**, as a general rule, are open to the media, however, **NO** interviews may be conducted during practice. Interviews with players and coaches may be conducted either before or after practice in the sports information office or on the court.

**Interviews with Gent head coach Tommy Vardeman** and his staff can be arranged during workday hours Monday through Friday, by calling the sports information office at (318) 869-5092 or the basketball office at (318) 869-5090.

The Centenary Sports Information Office is located in Room 109 of the Gold Dome at 00 Atkins Street. The office is open from 8 a.m. to 5 p.m., Monday through Friday. Sports Information Director Charlie Cavell can be reached at his home by calling 318-797-9383 or by e-mail at: ccavell@beta.centenary.edu

## *YOU JUST HAVE TO WAIT AND SEE...*

*With the loss of fours starters off of last year's club, this Gents team must overcome their inexperience in order to challenge for the TAAC title.*

After losing four starters off of last year's team, a group of young and inexperienced players will hit the hardwood for Centenary College in 1996-97. This year's squad has eight players that are either sophomores or freshman and of the other six players only two are seniors. The Gents must endure some growing pains and overcome their inexperience in order to challenge for the Trans America Athletic Conference title.

The Gents, who finished third last year in the Western Division of the TAAC, return eight lettermen but only one starter to this year's squad.

"I don't think that anyone really wants to face up to the fact of just how young we are," said eighth-year head coach **Tommy Vardeman** (95-101, .485). "At this time of the year everyone has high hopes and high expectations. Even though we have a lot of new players we still have those high expectations and hopes. I think we have some pretty talented players but they are are relatively young. Eight of them are either in the sophomore or freshman class and what scares you is you just don't know how they are going to react. I think we'll just have to wait and see. The only way we can tell is to just go out and play."

### *THE VETERANS*

The only starter to return off of last year's team is junior forward **Paxton Ross**. Ross (6-8, 215), played in 25 games averaging 8.5 points and 4.6 rebounds per game. He was hampered by a thumb injury throughout most of the season and it caused him to miss a couple of games. Ross posted the second best field goal percentage (45.1%) on the team last year.

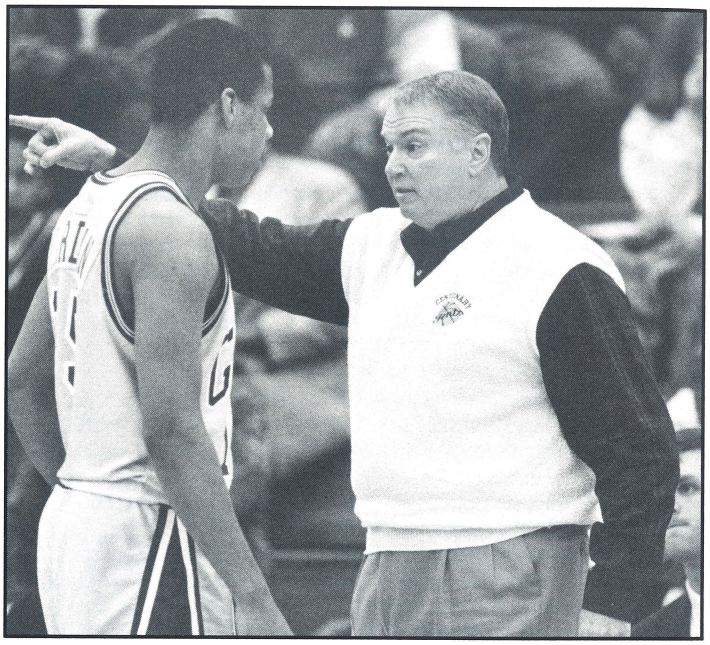
"Paxton had a good year last year but I think he was bothered by the thumb injury," Vardeman said. "We will need him to step up and become a little more aggressive and be accounted for down low."

Some other returning lettermen who saw considerable playing time last season are senior guard **Walter Camper,** junior guard/ forward **Herbert Lang** and sophomore forward **Cornell Hardman**.

**Junior forward Paxton Ross is the Gents only returning starter off of last year's team. Ross averaged 8.5 points and 4.6 rebounds in 25 games.**

Camper (6-1, 170), served primarily in a backup role as the shooting guard last season. He had his best season in his three years as a Gent. Camper played in all 27 of Centenary's games last season averaging 6.0 points per game while dishing out 1.2 assists per game. Camper will again see quite a bit of playing time this season, and will challenge for a starting job.

"This is Walter's senior year but that doesn't mean it's going to be easy," said Vardeman. "He's going to have to make himself shine its not just going to happen. He's paid his dues but he will have to continue working hard."



**Coach Tommy Vardeman utters some words of encouragemnent to sophomore forward Cornell Hardman.**

Lang (6-3, 180), had a great sophomore season and was a super sixth man who finished the season last year as the team's second leading rebounder. It is hard to pinpoint a position for Lang as he can either play guard or a small forward spot. He played in all 27 games and averaged 7.2 points and 4.8 rebounds per game.

"I think we have to not worry about where Herbert plays and just let him play," said Vardeman. "He is a good rebounder, a good defender and plays hard. He had some good games last year but he didn't play enough to be a bona fide 40 minute player."

Hardman (6-7, 215) saw a considerable amount of playing time last season as a freshman. He played in all 27 games and averaged 3.3 points and 2.4 rebounds per game. Hardman is expected to challenge for a starting job this season.

The other four lettermen that return are players who saw limited action last season but are expected to step up this season are sophomore guard **Roy Shvartzapel,** sophomore center **Ben Echols,** junior forward **Shay Journo** and senior guard **Cordell Williams**.

Shvartzapel (6-1, 170) is expected to challenge for the starting job at the point. He played in 21 games last season but missed a number of games because of a wrist injury. When he did play, Shvartzapel displayed his fine ball handling skills and court presence. He averaged 5.2 points and 1.1 assists per game and shot a team-high 84.6% from the free throw line.

Despite playing in 26 games, Echols' (6-11, 220) time on the court was limited as he played only 146 minutes. He will be counted on this season to be a force at the post despite his lack of experience. He is the first true big man the Gents have had in quite some time.

"Ben's presence at the post will be something we're looking for this season," Vardeman said. "We've had a couple of seven footers here before but they were not nearly as talented as Ben. He's the most talented big center that we've had since I've been here and it may not be this year but I think sometime in the future we will be able to hang our hat on him."

Journo (6-7, 225) is a big strong player who is a good rebounder and his international playing experience has helped him. He played in 19 games last season and pulled down 47 boards. Journo will challenge for playing time at the power forward spot.

Williams (6-5, 190) saw very limited action last year and is a question mark going into this season after suffering a fractured tibia before the start of the fall semester. If healthy he could see time at the shooting guard spot.

Sophomore forward **William David** (6-7, 235), who had to sit out last year after transferring from Belmont Abbey College, has been at Centenary for a year but will see his first action in a Gents uniform this season. David is a big, strong player who gives the Gents some size at forward.

"Willie is a broad shouldered, blue-collar type of player who works hard and will help out," Vardeman said.

### *THE NEWCOMERS*

Vardeman, and his assistant coaches Willie Jackson and Paul Rasmussen landed some highly touted recruits that they believe can come in and help the Gents immediately.

The Gents have three freshman guards in **Zac Cazzelle**, **Reggie Cooksey** and **Thomas Foster**.

Cazzelle (6-5, 215) was listed as one of the top recruits out of the state of Oklahoma and was an Adidas All-American. He gives the Gents a good size guard with an excellent shooting touch. Cazzelle finished his high school career 13th on the all-time Oklahoma scoring list. He will challenge for time at either the two guard or the wing.

"We could swing Zac back and forth between guard and forward," said Vardeman. "He is probably the best shooter on the squad. He's a tough kid with a nose for the basketball."

Reggie Cooksey (5-11, 165), who spent a year in the Naval Academy fifth year prep program, is a walk-on that earned his way on to the team. His ball handling and passing skills will help him challenge for playing time at point guard.

"He's a local kid and was a good high school player," said Vardeman. "I haven't seen him in a year but of what I have seen I think he can play here and help us out."

Thomas Foster (6-0, 180) is another player who will challenge for playing time at the point. He averaged 14 points, six rebounds and eight assists his senior year of high school.

The other three newcomers, freshman Ricky Fernandez, junior Reggie Love and sophomore William David, are all forwards.

Ricky Fernandez (6-7, 220) was one of the top recruits in the state of Texas. Fernandez was listed as a McDonald's All-Star and was a 5A All-State selection in Texas. He is an excellent player who could immediately come in and contribute.

"Ricky knows how to play the game very well," Vardeman said. "He's a big guy that has great hands and makes good passes. You seldom see a big guy who catches everything and makes good passes. He's not as explosive as some other guys but he knows how to finish a play."

Reggie Love (6-6, 220) comes to Centenary after spending two years at Westark Community College in Ft. Smith, Arkansas and he was a Street & Smith's All-American coming out of Parkview High School in Little Rock, Ark. He is a broad shouldered player with tremendous strength who could vie for playing time.

"Reggie can come in and knock you down," said Vardeman. "He does the little things. He's not a real explosive type player but he's going to get every ball he can get to, block out every time and his strength is probably his biggest attribute."

**Sophomore center Ben Echols played sparingly last season but is expected to be a force down low for the Gents in 1996-97.**

### *THE SCHEDULE*

A 27-game schedule that include games on the road against such powers as New Mexico, Oklahoma and Tulane headline the Gents 1996-97 schedule. Vardeman believes that this year's schedule is the toughest one made since he's been associated with Centenary basketball.

"The non-conference schedule is going to be very brutal and since many of the games will be on the road it will be doubly hard," said Vardeman. "The purpose of putting together this difficult schedule is to make us road tough by the time conference play begins. We hope it doesn't backfire."

Centenary will begin the regular season at home against Lamar, a team that beat the Gents soundly in Beaumont, Texas a year ago. The Gents will also face Wiley College, area rival Northwestern State, East Texas Baptist and Southwest Texas State, in the the five non-league home games prior to the start of the TAAC season.

The brutal road schedule for the Gents begins at Texas Christian and continues with a battle in "The Pit" against nationally-ranked New Mexico. Vardeman believes the toughest part of the schedule will come the week before Christmas, when the Gents travel to Oklahoma, SMU and nationally-ranked Tulane to end the non-conference road games for the year.

After the Christmas break, Centenary will begin the Trans America Athletic Conference season on the road as it travels to Boca Raton, Florida to face Florida Atlantic.

Centenary will have two four-game homestands during the season, including a stretch when it will play host to TAAC rivals Florida International, Southeastern Louisiana, Central Florida and Stetson. The game against Southeastern Louisiana on Monday, January 6 in the Gold Dome will be broadcast on Prime Sports.

The Gents will vie for the Western Division crown against rivals Southeastern Louisiana, Samford, Georgia State, Mercer and Jacksonville State. Centenary will finish out the TAAC slate with trips to Campbell as well as a visit to the defending regular season champions College of Charleston.

# TOMMY VARDEMAN

Beginning his 18th year as a coach at Centenary College is Tommy Vardeman. He has been the head coach of the Gents for the past seven seasons and has posted a 95-101 (.485) record.

He first came to Centenary as an assistant coach under Tommy Canterbury back in 1979. Vardeman was named the head coach prior to the 1989-90 season.

The 54-year old Vardeman, is the dean of the Trans America Athletic Conference coaches and he has taken the Gents to great heights in his seven years. In his first two seasons the Gents posted a combined record of 39-20 (.661) while winning the TAAC Championship in 1989-90 and finishing second in 1990-91. Vardeman was also named the *TAAC Coach-of-the-Year* in those two seasons, while producing two TAAC Player-of-theYear selections in Larry Robinson and Patrick Greer.

In his first season, "TV" led the Gents to a 22-8 overall record, a TAAC Regular Season Title, and the school's second straight appearance in the TAAC Tournament finals, which are televised nationally on ESPN.

The Center, Texas native, has a wealth of experience and knowledge of the game unsurpassed in the TAAC. His 29 years in the coaching ranks began at Cleveland (TX) High School and included stints at Crosby Channelview and Liberty-Eylau in the Texas prep ranks.

The 1965 graduate of Stephen F. Austin, moved to the college ranks as a graduate assistant at Louisiana Tech where he completed his Master's Degree in education in 1970. Vardeman then moved on to coach at Missouri Baptist Junior College and Henderson State, before returning to Louisiana Tech as the top assistant for four years.

After a one-year hiatus from coaching, Vardeman got the call from Tommy Cantebury to come to Shreveport and be the top assistant at Centenary. Then prior to the 1989-90 season he got his chance to be a head coach at the school where he had spent the past 11 years.

As the Gents mentor, Vardeman has guided Centenary to a TAAC Regular Season Championship and a TAAC Tournament Title, besides finishing the regular season as the runners-up once and the tournament runners-up four times.

One thing that makes Vardeman proud about his program is the success of his players in the classroom. Centenary won the 1995-96 TAAC All-Academic Trophy and five Gent basketball players were among those who earned TAAC All-Academic honors for posting a grade point average of 3.0 or better.

Known in coaching circles for his witty repartee and fierce competitiveness on the sidelines, Vardeman has instilled an up-tempo, break neck style of play into his troops.

Vardeman is married to the former Sharon Crocker of Garland, Texas. The Vardeman's have two married daughters; Jennifer, who is married to John Edwards, and Juli, who is married to Paul Tauzin. The Vardeman's are also the proud grandparents of Emily Edwards, who will be one in January.

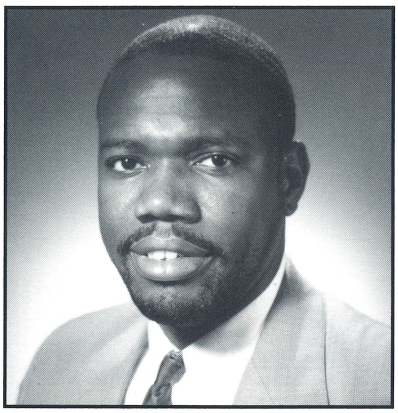
## WILLIE JACKSON



Willie Jackson begins his ninth season as an assistant on the Gents coaching staff.

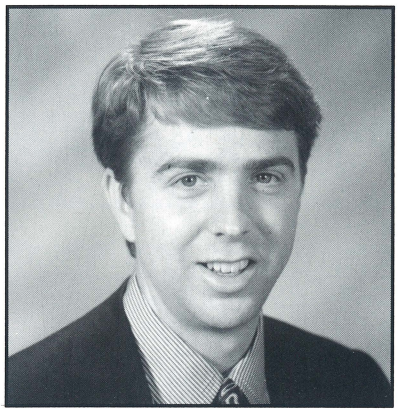
Gent fans still remember "Jack" racing up and down the court from 1980-84. Arguably, the finest player to ever don a Centenary basketball uniform, Jackson tossed in a school record 2,535 career points (22 ppg over four years) and grabbed 1,013 rebounds (second only to former Gent and current NBA great Robert Parish's 1,820).

During his years at Centenary, Jackson became the only player in TAAC history to be named the league's Player-of-the-Year three times, and as a freshman he was voted the TAAC Newcomer-of-the-Year. The Heflin, Louisiana product tossed in 30 or more points in 21 games as a Gent, as well as having led Sibley High School to a then national-record 100 consecutive basketball wins.

The 34-year old Jackson, was drafted in the fourth round of the NBA Draft by the Houston Rockets, but became the final guard released before the start of the 1984-85 season. Jackson spent the next two years (84-86) playing in the CBA for the Wisconsin Flyers and Sarasota Stingers. Prior to his return to his alma mater, Jackson spent two years as head basketball coach at Caldwell Parish High School.

Jackson is married to the former Zebber Satcher (a fellow Centenary graduate and a Lady hoopster). Together they have two daughters, eight-year old Ashley and three-year old Alexis.

## PAUL RASMUSSEN



Paul Rasmussen begins his fifth season as an Assistant Coach for the Gents.

Rasmussen is in charge of all aspects of recruiting for Centenary.

In addition to recruiting, he also is responsible for coordinating the team's daily practice schedule.

Rasmussen also handles a majority of the defensive schemes the Gents use. His defensive instruction has been a key in the Gents recent resurgence in tenacious full-court pressure. The Gents have averaged 225 steals, which is 8.3 steals per game, the last two seasons in the TAAC.

The 29-year old Rasmussen served as the Assistant Athletic Director for Marketing and Development before relinquishing his title in the fall.

Prior to graduating from Centenary with a bachelor's degree in history in 1991, Rasmussen worked as a student manager for Coach Dave Bliss at both Southern Methodist University and the University of New Mexico.

The Shreveport native, earned his master's degree in sports management and marketing from the University of Richmond. He has also worked in Washington, D.C. for ProServ, a sports marketing firm before coming to Centenary.

Rasmussen married the former Ashley Knotts of Coushatta, Louisiana on August 10, 1996

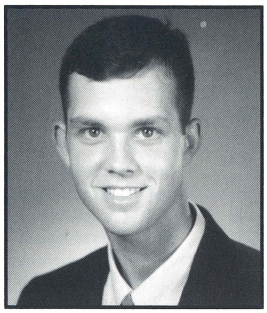
## MATT PRYSOCK



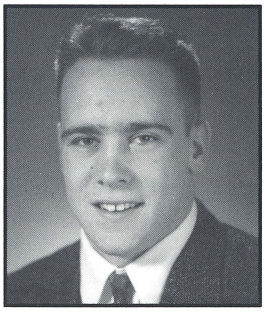
Beginning his third year as a student assistant coach is Matt Prysock.

Prysock, a senior from Benton, Arkansas, spent his first two years at Centenary as a student trainer. During that time, he served as the student trainer for the women's soccer team and most recently the basketball team.

This season his coaching duties will include film exchange, keeping game statistics for the coaching staff, and various other managerial duties.

The 22-year old Prysock, is a health and exercise science major who plans to graduate in 1997.

## JOSH STONER



Josh Stoner begins his third season as the Gents team manager.

Stoner, a native of Denton, Texas is a 1994 graduate of Denton High School.

While in high school, Stoner earned two letters in both football and track. He also played baseball for one season.

Stoner's primary duties include daily preparations of both practice and game uniforms as well as filming practice sessions.

Stoner, 21, is an engineering major at Centenary and is also a member of Theta Chi Fraternity.

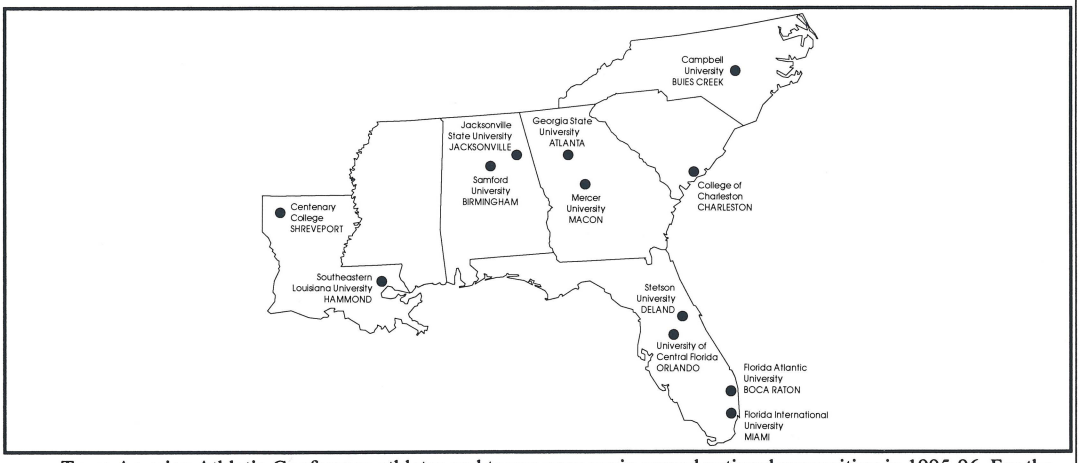
# TRANS AMERICA ATHLETIC CONFERENCE

## *CENTENARY ENTERS 19TH YEAR IN THE TAAC...*

Founded on September 19, 1978, by eight NCAA Division I Independents, the Trans America Athletic Conference is made up of some of the finest private schools and fastest growing state schools in the Southeast. The TAAC, currently at a peak in membership with twelve schools, has evolved over its 18-year history without changing its initial prmise: "assist its member institutions in the maintenance of programs of intercollegiate athletics which are compatible with the highest standards of education and competitive sports."

The TAAC sponsors 15 Championship sports with a record-high 155 athletic teams competing for Conference Championships. For the third straight year the TAAC had a record number of student-athletes earn all-academic honors as 794 student-athletes were honored in 1995-96, surpassing last year's total of 644.

Conference growth in academic and athletic achievement has been coupled with unprecedented growth in the membership. Last spring the conference voted to accept a new member for the seventh straight year. Troy State University (Troy, Alabama) will begin competing in the TAAC effective July 1, 1997. Expansion has been the hallmark of Bill Bibb's tenure since he began as Conference Comissioner in 1991. Now entering his sixth year as comissioner, Bibb began his association with the TAAC as one of the founders of the conference. He served as the head men's basketball coach at Mercer from 1974-89 and was an active participant in the formation of the TAAC in 1978.



Trans America Athletic Conference athletes and teams once again earned national recognition in 1995-96. For the fourth straight year the TAAC had a record number of participants in post-season play. Two TAAC men's basketball and baseball teams advanced into post-season play for the second straight year. TAAC basketball tournament champion Central Florida went to the NCAA Tournament via the conference's automatic bid while regular season champion College of Charleston participated in the National Invitation Tournament (NIT) for the second consecutive season. TAAC baseball tournament champion UCF went to the NCAA Tournament via the TAAC's automatic bid while Stetson advanced into the NCAA Tournament as an at-large selection. The UCF women's basketball team advanced to the NCAA Tournament after winning the TAAC Championship while TAAC Soccer Champion College of Charleston advanced to the NCAA Tournament for the second straight year. The UCF women's golf team advanced to the NCAA Championship for the first time in school history while the Jacksonville State University softball team advanced to the NCAA Tournament in its first year of Division I program.

The TAAC will have three automatic bids in 1996-97 covering the men's and women's basketball champions and the baseball champion. The 1996-97 TAAC Champions in men's soccer, women's volleyball and softball will participate in NCAA Play-In matches (winner advances to the NCAA Tournament). Over the last three years TAAC teams are 6-0 in NCAA Play-In competition (Baseball 1-0, Men's Soccer 1-0, Softball 2-0, Volleyball 2-0).

The Conference continues its growth as one of the top all-around collegiate athletic conferences in the country. With an expected total of more than 2,000 student-athletes participating in TAAC play in 1996-97, the Trans America Athletic Conference, now more than any time in its history, is fulfilling its mission of providing the best in academics and athletics.

# 1995-96 SEASON IN REVIEW

A fast start, a slow finish, and an abrupt ending would be the best way to describe Centenary's 11-16 basketball season in 1995-96.

Tommy Vardeman and his Gents experienced a wave of emotions that stretched from day one of fall practice to their TAAC Tournament loss to Mercer.

The Gents entered the season hoping to improve on their 10-17 record during their 1994-95 campaign. The Gents returned three starters to the lineup in senior guard Aljay Foreman, senior guard Anthony Stephens, and senior forward Lincoln Abrams. Also scheduled to be back was guard-forward James Harvey, who missed the entire previous season due to injury.

Expectations were high as Centenary would go to war with a senior laden team which had plenty of experience to count on. The guard tandem of Stephens and Foreman had been starters since their freshman season while Abrams came from New Mexico Military Institute and immediately provided a presence inside with his plethora of post moves. Sophomore forward Paxton Ross returned for his third year in the program and his outside shot would be counted on for the upcoming season. The key loss for the Gents was smooth swingman Jamar Comeaux who led the team in scoring with a 15.1 average. Also gone from the team were power forwards Josh Wagoner and James Thomas who provided fine interior defense.

Centenary's bench would be the one question mark entering the season. The sixth man for the Gents would be sophomore swingman Herbert Lang who dazzled fans with his leaping skills. Junior guard Walter Camper would provide relief at both guard positions while adding tenacious defense off of the bench. Two junior college transfers and three true freshman would be counted on to produce early and often throughout the season.

The season began on November 25 when Centenary hosted the Tigers of East Texas Baptist in the season opener. Centenary needed a career-high 22 points from Lang and 19 points and 9 rebounds from Abrams to escape with an 89-85 win.

In the biggest non-conference game of the year, nationally-ranked Tulane came to town and received a scare from Centenary. The Gents led 41-39 at the half but the Green Wave proved to be to strong and pulled away in the second half and went on to win 88-75..

An impressive 108-71 victory over Wiley College boosted the Gents confidence leading into a home date with in-state rival Louisiana Tech. Centenary took advantage of the Bulldogs 16 turnovers and 35 percent shooting from the field to win 65-58. Lincoln Abrams led the way for the Gents with 25 points and 8 rebounds, showing early on that he would be a force to be reckoned with down the road.

Centenary started the season at 3-1 going into their Texas road trip. The Gents were outplayed in the first game of the road swing, losing 93-81 to TCU in Ft. Worth. Next up was the Dr. Pepper Invitational in Waco, Texas.

The Gents would tangle with the host Baylor Bears in the first round. Despite being down by as much as 20 points, the Gents fought their way back into the game only to come up short and fall 80-77.

Disappointed with the loss, Centenary came back the next night to battle Liberty University. They battled back and forth most of the way until Liberty's Jay Boykin sank a three-pointer with 21 seconds left to give the Flames a 73-71 win.

After the Texas trip, the Gents traveled to Ruston to battle Louisiana Tech. The Bulldogs had revenge on their minds and were able to avenge their earlier loss to the Gents by beating Centenary 90-77.

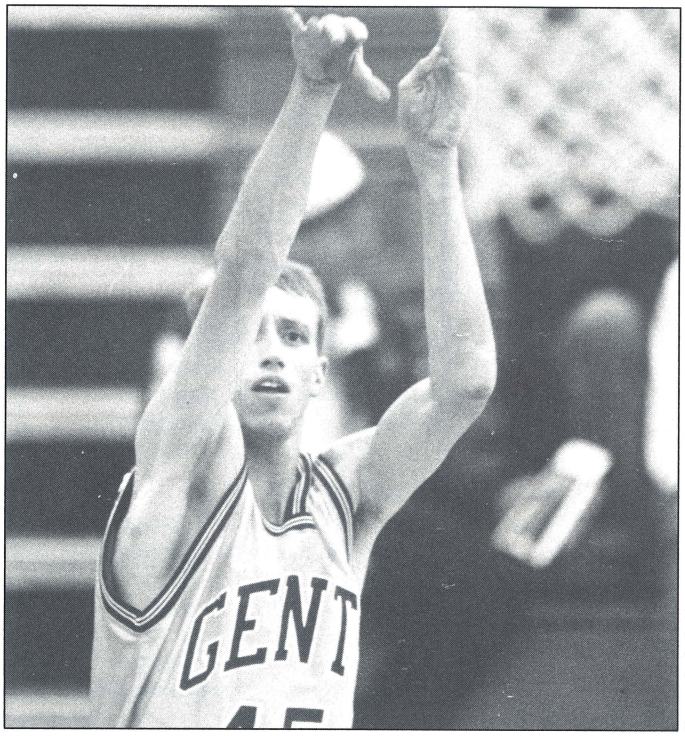
Down but not out, Centenary had one more game to play before the Christmas break. The Gents would tangle with the LSU Fighting Tigers in Baton Rouge. This game would be a tale of two halves for Centenary. The Gents outplayed the Tigers in the first half and were able to take a 36-27 lead into the locker room at halftime. Despite a poor shooting performance in the second half, Centenary was able to stay with LSU until the end. With three seconds remaining and down by two, Stephens' three-point attempt went awry and the Gents came up short again this time 65-63. Against LSU the Gents were a horrific 6-for-38 (.158) from beyond the three-point arc, a trend that would continue to plague Centenary for the rest of the season.

After winning three out of the first four games and then losing five straight the Christmas holiday were a much needed break.

When the Gents opened TAAC play on January 4 at home against Florida Atlantic, they were looking to start the conference season on a positive note and put an end to the losing skid. It took an extra five minutes to make those new year resolutions come true, but the Gents were able to clip the Owls 76-75 in overtime.

The high point of the season came on the road trip through the Sunshine State of Florida. The Gents captured back-to-back, 20-plus point wins over Florida International and Central Florida.

A 3-0 conference record and a three-game winning streak had the Gents flying high. A 96-83 setback at Stetson grounded the high flying Gents, but a 2-1 record on the trip was something Centenary hoped to build upon.



*James Harvey was one of four senior starters the Gents lost of off the 1995-96 team.*

The Gents returned home to face Western Division foes Jacksonville State and Samford. Facing Jacksonville State for the first time in school history, Centenary had little trouble with the TAAC newcomers winning 94-85.

The Samford game proved to be a different story, as the Gents struggled the entire game against the Bulldogs and eventually fell 61-57. This game would be the start of a downward spiral for Centenary.

The Gents' shooting woes continued in a non-conference loss at Lamar, as the Cardinals handed the Gents an 89-77 loss. Centenary shot a meager 20 percent from three-point land.

Things would not get any better at Southeastern Louisiana as the Lions defeated the Gents 89-77, to hand Centenary its third straight loss.

Centenary hoped the start of February would bring about brighter days, but a 89-66 thrashing at the hands of the Mercer Bears dashed those hopes. Again poor shooting plagued Centenary as the Gents were a woeful 25-for-77 (.325) from the field and an even worse 5-for-29 (.172) on three-pointers.

After a four-game losing skid and some poor shooting performances, the Gents limped home but had little time to heal their wounds. Centenary had a date with the division leading SLU Lions, a team that had beaten the Gents by 12 just nine days before.

The Gents opened the game playing like a team that had just lost four games. Fortunately, an inspired Centenary ballclub came out in the second half and scored 53 points en route to the 92-90 win over the Lions.

Centenary continued to ride that spirit into the Mercer game. Again the Gents played a spectacular second half and captured a 10-point win over the Bears.

Things continued to go Centenary's way in the next game, as the Gents defeated the Georgia State Panthers in an exciting 79-76 overtime game. Freshman Roy Shvartzapel sank two free throws with no time left on the clock to send the game to overtime. His free throws in the extra period would ice the Centenary victory.

Riding a three-game winning streak into Birmingham, Ala., the Gents hoped the outcome of this meeting with Samford would be different. Unfortunately for Centenary the results would be similar, as the Bulldogs defeated the Gents 74-63.

Two days later at Jacksonville State the Gents would play one of their best games of the year. Centenary got a career-high 24 points from Walter Camper and 23 points and 13 rebounds from Lincoln Abrams to cruise to the easy 95-79 win over the Gamecocks.

The Gents were looking to continue their fine play in Atlanta against Georgia State. The revenge-minded Panthers would totally outplay the Gents in the second half and go on to take a 74-58 win.

Heading into the final two games of the season, both of which were at home, Centenary wanted to pick up a couple of wins and take that momentum into the TAAC Tournament.

Unfortunately for the Gents the final two games were against a red-hot Campbell ballclub and a College of Charleston team that had suffered just its first conference loss two nights before.

Against Campbell, the Gents leading scorer and rebounder Lincoln Abrams was held in check by the Camels. Campbell held Abrams to only six points and nine rebounds in capturing the 75-58 win over Centenary.

The College of Charleston came into Shreveport with a 22-3 overall record and 14-1 record in the TAAC. The Cougars showed the Gents just why they were the conference's top team as the College Charleston beat Centenary 75-54.

Centenary finished the regular season with an 11-15 record and wound up 8-8 in the TAAC which was good enough to gain the Gents the fourth place seed in the tournament.

The Gents headed down to Stetson in DeLand, Florida for the TAAC Tournament with something to prove to the rest of the conference. Centenary was hoping to find some of the tournament magic that past Gent teams have experienced.

Centenary would be matched up against the fifth seeded Mercer Bears. The Gents and Bears had split the regular season series and this game would be the rubber game.

The Gents never seemed to get on track in the first half and went into the locker room down by five, 35-30. Hopes were still alive because the Gents had played well in the second half of many games down the stretch.

Unfortunately for Centenary, the second half would resemble the plight of the Gents throughout the entire season. The lack of outside shooting by Centenary allowed opponents to back up into a zone defense and concentrate most of their efforts on containing Abrams. The Gents connected on only 17 percent of their three-pointers which allowed Mercer to put all of its efforts into stopping Abrams.

For seniors Abrams, who had 19 points, and Stephens, who had 15 points and 12 rebounds, their seasons ended abruptly with a 72-61 loss to Mercer.

## THE GOLD DOME...

### "HOME OF THE GENTS"

The geodesic Gold Dome, constructed in 1970, is a landmark located just south of the main Centenary College campus. Besides housing the Centenary basketball team, the Gold Dome is also the home of the Centenary Ladies volleyball team.

The multi-purpose facility, constructed at a cost of 1.3 million plus equipment, has a seating capacity of 4,000 with cushioned armchairs on the upper level and bleachers on both sides of the floor.

Unique features of the structure include indirect lighting and the attractive gold anodized aluminum dome. The completely air-conditioned facility also contains office space for the athletic and physical education departments, two classrooms, and four large carpeted dressing rooms.

Like the building itself, the floor area is multi-purpose. A new portable hardwood floor was inserted in 1989 for basketball, and will be the home of the volleyball team again this season. With a Tartan-based surface underneath, the floor area can easily be converted into two crosscourt basketball courts, eight volleyball courts, or 16 badminton courts. At the east end of the building are two championship handball courts, complete with spectator windows.

The dome was designed by the Shreveport architecutral firm of Somdal-Smitherman-Sorensen-Sherman and Associates. Whitaker Constuction Company of Shreveport was the contractor, while the Temcor Company of California erected the gold-colored dome.

# CENTENARY COLLEGE

### *ACADEMIC SUCCESS*

Founded in 1825, **Centenary College** is the oldest private liberal arts institution west of the Mississippi River. Centenary provides a superior education for students capable of intellectual leadership and for those who can benefit from study in an academic community where excellence is encouraged and individuality is respected. Centenary places emphasis on preparations for various professions. The college is an institution of the United Methodist Church.

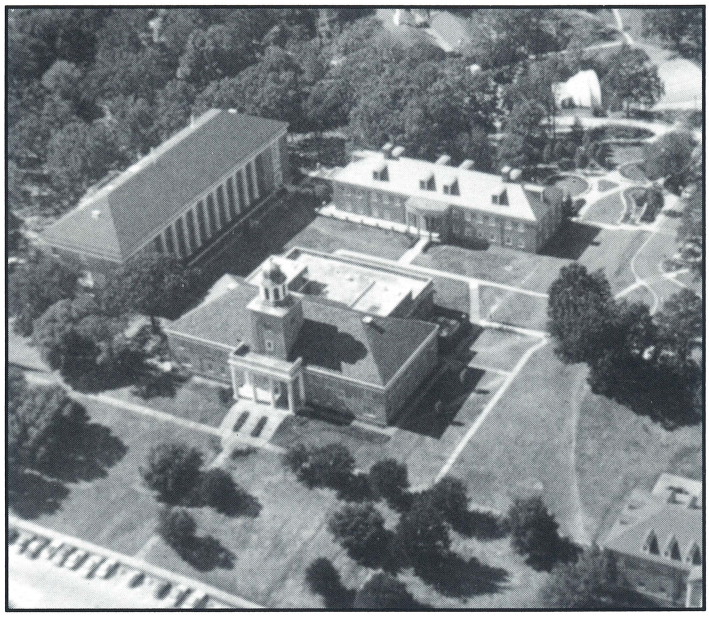
Centenary boasts a student/professor ratio of 11 to 1 for its 1000 graduate and undergraduate students, while classes rarely exceed 30 in popular introductory courses. Centenary is a member of the Southern Association of Colleges and Schools. The college offers the Bachelor of Arts, Bachelor of Science and Bachelor of Music degrees in 37 subject areas and a broad range of programs in a variety of pre-professional and interdisciplinary fields. Recently, a Centenary education was recognized in ***"Money's Guide to the Best College Buys"*** as the 27th "Best Buy" in the United States, as well as ninth in the southeast region and tops in Louisiana based on the quality of education and competitive pricing Centenary offers.

Shreveport is located on the west bank of the Red River in northwest Louisiana. The metropolitan area has a population in excess of 300,000 and forms the geographical, cultural, and economic center of the region known as the Ark-La-Tex. Centenary is located two miles from downtown Shreveport and is widely known for its natural beauty and stately Georgian architecture.

### *ATHLETIC HISTORY*

Centenary has a treasured history in athletics, dating back to the mid-1800's. While the first basketball game on record didn't occur until 1921, Centenary had already fielded teams in baseball and football.

As a matter of fact, Centenary once boasted of having one of the finest football teams in the nation. The Gents posted a perfect 10-0-0 record back in 1927 with a team coached by **Homer Norton**. That year, Centenary defeated four Southwest Conference opponents (SMU, Baylor, Rice, and TCU) to start the season and finished off the memorable campaign with a 59-2 whipping of Louisville. Centenary outscored its opponents 261-38 over the 10-game span.



In that era 13 Centenary football players went on to professional gridiron careers, including: **Conway Baker**, **Buddy Parker**, and **Cal Hubbard**.

Hubbard, a mountain of a man at 6-2 and 253 pounds, was the most illustrious of the group, starring on championship teams and earning induction into the ***National Football League Hall of Fame*** and the ***NCAA College Football Hall of Fame***. He is a triple rarity in that he also is in the ***Major League Baseball Hall of Fame*** as an umpire.

Centenary also owns one **NCAA Football record** that still stands today--most punts by two teams in one game. The answer is 77 punts as the Gents battled Texas Tech to a 0-0 tie on November 11, 1938 in Shreveport. In that game players reported the rain was so hard that the water was entirely above their shoes.

Centenary later discontinued football in 1947 due to the poor oil economy in the Ark-La-Tex region but the school's athletic success continues still today.

### *ATHLETICS TODAY*

Centenary is a charter member of the **Trans America Athletic Conference** (established in 1978) and sponsors 14 men's and women's intercollegiate sports. Basketball, baseball, soccer, cross-country, tennis, golf, and rifle for men; soccer, cross-country, tennis, volleyball, gymnastics, softball, and rifle for women. In the 18-year history of the TAAC the Gents have won 10 conference championships. The Centenary Athletic Department was the recipient of the Jesse Fletcher Award in 1983-84 for the TAAC's best all-around program and has been runner-up for the honor from 1988-1990

Centenary is also the alma mater of current NBA great **Robert Parish** of the World Champion Chicago Bulls and **Larry Robinson**, formerly of the Houston Rockets, Professional Golfer **Hal Sutton**, former U.S. Olympic Gymnast **Kathy Johnson** and former Major League Baseball Pitcher **Cecil Upshaw**.

# DIRECTOR OF ATHLETICS

## RUSS SHARP

Russ Sharp is in his third year as the Director of Athletics for Centenary College, after working for four years as the Assistant Athletic Director at Arkansas State and he has made quite an impact on Centenary's athletic department.

Since coming aboard, Sharp has created a sports medicine facility, adverstising partnerships and has developed a master plan for facility improvements.

Two phases of his facility improvements plan have already been completed. The first phase of the plan was the construction of a new softball field which was completed last spring. This past fall his hard work brought about the expansion of the soccer field and the installation of a state of the art scoreboard which completed phase two of the plan. Other phases of the facility improvements plan include lighting the three outdoor fields as well as the addition of permanent seating at each venue.

Sharp has also worked on fund raising campaigns and has created a marketing plan which will lead the Centenary Athletic Department into the 21st century.

Prior to his stint at Arkansas State, Sharp spent 13 years at West Georgia College. Among his roles at West Georgia were Assistant Athletic Director for Business Affairs and Executive Director of the Braves Club.

A 1983 graduate of West Georgia, the Jacksonville, Florida native is married to the former Teri Nash of Monroe, North Carolina.
